

## Code of Conduct for Coaches/Volunteers...

Be Gymnastics is fully committed to the safety and welfare of all its gymnasts and coaches. It is essential that all gymnasts, coaches, parents and volunteers associated with the club follow the code of conduct and show respect and understanding to the welfare of others.

Be Gymnastics strives to achieve the best reputation possible and ensure that all coaches, volunteers and young helpers feel safe and welcome throughout their time at the club. To ensure this, we ask that all coaches/volunteers must:

1. Consider the safety and wellbeing of participants and other coaches/volunteers whilst in the training hall.
2. Arrive at the agreed time for classes/events and inform the head coach if they are going to be late or unable to attend.
3. Wear suitable attire for coaching (either sporty clothing or Be Gymnastics clothing) including no jewellery, buttons, zips or loose clothing. Hair must be tied back.
4. Treat all equipment with their uppermost respect.
5. Treat all gymnasts, coaches and parents with equality and respect.
6. Only use mobile phones for coaching purposes if required and if consent is given by the child's guardian.
7. Have the gymnasts health, welfare and progression in their best interest at all times.
8. Not bully, harass or intimidate any other individual whilst a member of our club. A zero-tolerance policy is adopted by the club.
9. Not eat whilst coaching.
10. Be prepared to advance and improve their coaching to be the best coach/volunteer possible.
